

He spots the Sheriff rehearsing his speech away from folks.
DARLEEN O'BRIEN, 60s, his wife, makes sure he looks good and
fixes his hair. Max makes his way closer to the Sheriff.
LIEUTENANT SHAFFER, 30s, a woman, approaches Max.

LIEUTENANT SHAFFER
Max Mayhew?

MAX
That's me.

LIEUTENANT SHAFFER
Lieutenant Shaffer.

Shaffer extends her hand. Max shakes it.

LIEUTENANT SHAFFER
We have a spot for you up here.

Shaffer takes Max towards the front, near O'Brien.

MAX
You have a lot of cops out here for
this.

LIEUTENANT SHAFFER
Well this is the biggest thing
we've had in this town since...
since your brother disappeared.

As Max walks, he sees a bouquet with Benji's face in the
center. There's candles all over the ground with flowers.

LIEUTENANT SHAFFER
You can just wait here. The Sheriff
will call you when it's your turn.

The Lieutenant moves on to her next duty. O'Brien comes by to
greet Max.
